HASSELBLAD EDUCATION REWARDS OFFER FOR STUDENTS, EDUCATORS, AND SCHOOLS

OVERVIEW:

The *HERO* program for 2011 is designed to make it as easy as possible for you to acquire the finest camera and digital products in the world. This purchase incentive plan is heavily subsidized by Hasselblad USA and is available only to pre-approved students, accredited schools and photo educators. Simply put, there has never been a better time to purchase the best medium format camera, digital camera, digital back or scanner on the market today. If you are serious about photography, you need a Hasselblad. Need convincing? Just look at the equipment most working photographers rely on for their business – and their reputations.

GUIDELINES:

- ✓ **Duration:** this program is only available on the qualifying products listed in this Program Guide, ordered from an authorized Hasselblad USA Camera or Digital Dealer under the *HERO* program and shipped from January 1 – December 31, 2011.
- ✓ **Eligibility:** this offer is available only to **Students** enrolled full-time in an accredited photography program; **Schools** (including Universities, Colleges, Technical Trade Schools and High Schools) who specialize in or have specific courses, or a curriculum devoted to photographic training; and **Educators** who teach photography in one of the eligible schools. By signing this application, the purchaser certifies they qualify for the *HERO* program and will use the product(s) for the purposes of photo education.
 - Proof of eligibility is required at the time of purchase in the form of:
 - **Students:** student photo ID and a copy of your most recent grade report, transcript or proof of enrollment in a photography course.
 - **Educator:** educator photo ID card or other proof of employment
 - **Schools:** school purchase order
- ✓ **General Conditions:**
 - Due to the exceptionally low prices and nature of the *HERO* program, strict qualifying guidelines have been established. Before ordering, please ensure you meet these guidelines as Hasselblad USA reserves the right to reject the order if all conditions are not met.
 - The purchaser certifies the equipment will not be resold for a period of 24 months.
 - Concurrent general market Hasselblad rebate offers cannot be combined with the *HERO* program
 - Students and Educators are allowed only one complete Hasselblad purchase per year.
 - The equipment must be ordered through a Hasselblad USA Authorized Dealer. Unauthorized imports, so called 'gray market' goods, do not qualify under the *HERO* program.
 - Orders for Hasselblad digital products must be made through select Hasselblad Digital Authorized Dealers. For the name of a dealer in your area, contact the Hasselblad USA office at (973) 227-7320.
 - This offer is available to U.S. and Canadian residents and institutions only. The *HERO* program and *HERO* pricing are subject to change or cancellation without notice.

HOW TO ORDER:

The *HERO* program is easy to use. To purchase your new Hasselblad product, just follow these steps:

1. If you meet the *HERO* program guidelines, visit your local Hasselblad USA Authorized Dealer and select the products you wish to purchase.
2. Complete this application form, provide proof of eligibility and submit payment to the dealer. The dealer will copy the eligibility documents and submit them with your application to Hasselblad USA.
